

Generate Product List Report

The screenshot shows the Natuurlik Admin interface. On the left is a sidebar with a menu including Store, Products, Orders, Suppliers, Inventory Management, Locations, Reports, and Users. The Reports menu is expanded, showing options like Sales Report, Customer Report, Reseller Report, Inventory List Report, Orders Report, Produced Products Report, Product Report (marked with a green circle and '1'), Orders By Status Report, and Orders By Region Report. The main area displays the 'Product List Report' page, which includes an 'Export' button (marked with a green circle and '2') and a table of product data. The table has columns for Product Name, Quantity on Hand, Product Brand, and Product Category. The data shows four products: Natuurlik Original Coffee (273 units), Natuurlik White Wine (500 units), Natuurlik Chili Sauce (50 units), and Natuurlik Soap (0 units), all under the Starbucks brand.

Step 1 – Click on the “Product Report” nav item (1) under the Reports dropdown

Step 2 – Click the “Export” button (2) to download the report pdf file.

The screenshot shows the generated Product List Report PDF document. It includes the Natuurlik logo, contact information for Stromacraft Pty Ltd, and the report title 'PRODUCT LIST REPORT'. The report is printed by Reseller Doe on 9/22/2022 at 11:24:28 AM. The table of product data is identical to the one in the screenshot above, showing four products: Natuurlik Original Coffee (273 units), Natuurlik White Wine (500 units), Natuurlik Chili Sauce (50 units), and Natuurlik Soap (0 units), all under the Starbucks brand. The report ends with '***END OF REPORT***'.
