

Add a Courier

The screenshot shows the NATUURLIK Admin interface. The left sidebar contains a menu with items like Store, Blogs, Products, Orders, Suppliers, Inventory Management, Locations, Reports, Users, Manage VAT, and Help. The 'Orders' section is expanded, showing sub-items like Manage Orders, Payment Reminders, Return Reasons, Query Reasons, Review Reasons, and 'Couriers' (marked with a green circle 1). The 'Couriers' item is selected. The main content area is titled 'Courier List' and features a 'Create New Courier' button (marked with a green circle 2). Below the button is a table with columns: Courier Name, Courier Fee, Estimated Delivery Time, and Action. The table contains one entry for DHL with a fee of R100,00 and an estimated delivery time of 5-7 Days. The 'Action' column for DHL has 'Update' and 'Delete' buttons. At the bottom of the table, it says 'Showing 1 to 1 of 1 entries' and 'Previous 1 Next'.

Step 1 – Click on the “Couriers” nav item (1) then, click on the “Create New Courier” (2) button

The screenshot shows the 'Create Courier' form in the NATUURLIK Admin interface. The form has three input fields: 'Courier Name' (marked with a green circle 1), 'Courier Fee', and 'Estimated Delivery Time'. The 'Courier Name' field contains the text 'The Courier Guy'. The 'Courier Fee' field contains the value '100'. The 'Estimated Delivery Time' field is a dropdown menu showing '5-7 Days'. At the bottom of the form, there are two buttons: 'Create' (marked with a green circle 2) and 'Cancel' (marked with a green circle 3).

Step 2 – Add the name of the Courier into the textbox (1)

Step 3 – Click on the “Create” button to add the Courier (2) or the Cancel button (3) to return to the Courier List screen

Search for a Courier

The screenshot shows the NATUURLIK application interface. On the left is a sidebar menu with options: Store, Blogs, Products, Orders, Suppliers, Inventory Management, Locations, Reports, Users, Manage VAT, and Help. The main content area is titled "Courier List" with a help icon. Below the title is a green "Create New Courier" button. A search bar on the right contains the letter 'G' and is marked with a green circle and the number 1. Below the search bar is a table with the following columns: Courier Name, Courier Fee, Estimated Delivery Time, and Action. The table contains one entry: "The Courier Guy", "R100,00", "5-7 Days", and actions "Update" and "Delete". Below the table, it says "Showing 1 to 1 of 1 entries (filtered from 2 total entries)". At the bottom right of the table area are "Previous", "1", and "Next" pagination controls.

Courier Name	Courier Fee	Estimated Delivery Time	Action
The Courier Guy	R100,00	5-7 Days	Update Delete

Step 1 – Type the search query in the search bar (1)

Update a Courier

The screenshot shows the 'Update Courier' form within the NATUURLIK application. The form is titled 'Update Courier' and contains three input fields: 'Courier Name' (containing 'DHL'), 'Courier Fee' (containing '100,00'), and 'Estimated Delivery Time' (containing '5 Days'). Below the fields are two buttons: 'Update' (highlighted with a green circle 2) and 'Cancel' (highlighted with a green circle 3). The 'Update' button is also labeled with a green circle 1. A sidebar on the left lists various menu items: Store, Blogs, Products, Orders, Suppliers, Inventory Management, Locations, Reports, Users, Manage VAT, and Help. The top of the application has a black header with 'NATUURLIK' on the left and 'LOGOUT' on the right.

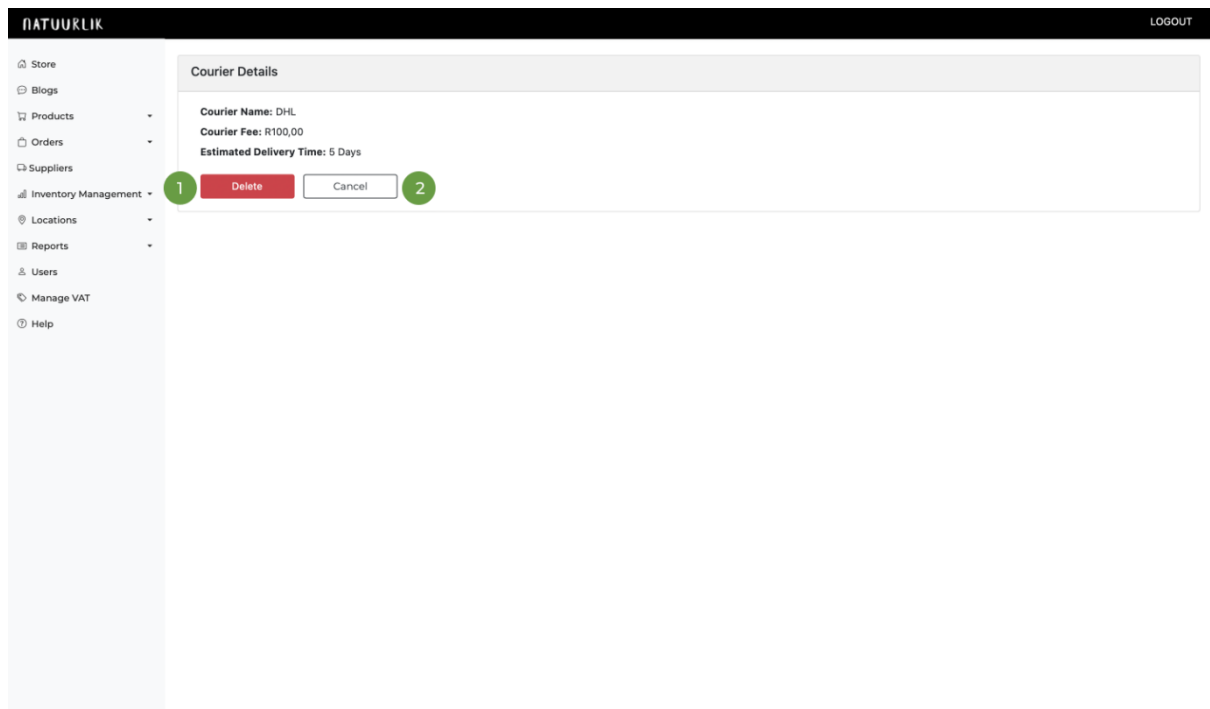

Step 1 – Fill in the Courier details in the provided form

Step 2 – Click on the “Update” button (1) to update the Courier details or “Cancel” button (2) to return to the Courier List screen

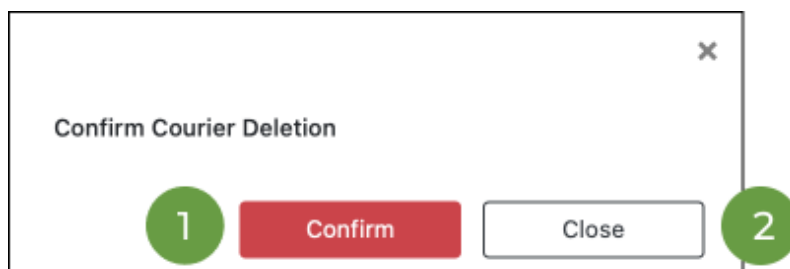

The screenshot shows a 'Confirm Courier Details' dialog box. It has a title bar with a close button (X). The dialog contains two buttons: 'Confirm' (highlighted with a green circle 1) and 'Close' (highlighted with a green circle 2). The dialog is titled 'Confirm Courier Details'.

Step 3 – Click on the “Confirm” button (1) to proceed with the update or the “Close” button (2) to return to the Courier List screen

Delete a Courier

Step 1 – Click on the “Delete” button to delete the Courier (1) or the “Cancel” button (2) to return to the Courier List screen

Step 2 – Click on the “Confirm” button (1) to confirm the deletion Courier or the “Cancel button (2) to return to the Courier List screen
