

Add a Product Category

The screenshot shows the 'Product Category List' page. The sidebar on the left has a 'Product Categories' item marked with a green circle '1'. The main header has 'NATUURLIK' and 'LOGOUT'. The main content area has a title 'Product Category List' with a question mark icon. Below the title is a green button 'Create New Product Category' marked with a green circle '2'. The main content area also shows a table with one entry 'Personal Care' and buttons 'Edit' and 'Delete'. A search bar and pagination controls are also visible.

Step 1 – Click on the “Product Category” nav item (1) then, click on the “Create New Product Category” (2) button

The screenshot shows the 'Add Product Category' form. The sidebar on the left has a 'Product Categories' item marked with a green circle '1'. The main content area has a title 'Add Product Category'. Below the title is a text input field for 'Name' with the value 'Dairy' and a green circle '1'. Below the input field are two buttons: 'Create' (green) and 'Cancel' (white), with a green circle '2' next to the 'Create' button and a green circle '3' next to the 'Cancel' button.

Step 2 – Add the name of the Product Category into the textbox (1)

Step 3 – Click on the “Create” button to add the Product Category (2) or the Cancel button (3) to return to the Product Category List screen

Search for a Product Category

The screenshot displays the 'Product Category List' interface. On the left is a sidebar with navigation links: Store, Blogs, Products, Orders, Suppliers, Inventory Management, Locations, Reports, Users, Manage VAT, and Help. The main area features a header 'Product Category List' with a help icon, a green 'Create New Product Category' button, and a search bar with the text 'P'. Below the search bar is a table with one entry: 'Personal Care'. The table has columns for 'Category Name' and 'Action', with 'Edit' and 'Delete' buttons in the action column. At the bottom, it says 'Showing 1 to 1 of 1 entries (filtered from 2 total entries)' and has pagination controls for 'Previous', '1', and 'Next'.

Step 1 – Type the name of the Product Category you are searching for in the search bar (1)
