Search for a Return Reason

Step 1 – Type the search query in the search bar (1)

Update a Return Reason

The screenshot shows the 'Update Return Reason' form within the NATUURLIK application. The form has a title bar 'Update Return Reason'. Below it, there is a text input field labeled 'Return Reason' containing the text 'Item is in the wrong colour and size'. To the left of the form is a sidebar menu with various options: Store, Blogs, Products, Orders, Suppliers, Inventory Management, Locations, Reports, Users, Manage VAT, and Help. At the bottom of the form, there are two buttons: a green 'Update' button and a white 'Cancel' button. Green circles with numbers 1, 2, and 3 are overlaid on the image to indicate steps: 1 points to the text input field, 2 points to the 'Update' button, and 3 points to the 'Cancel' button.

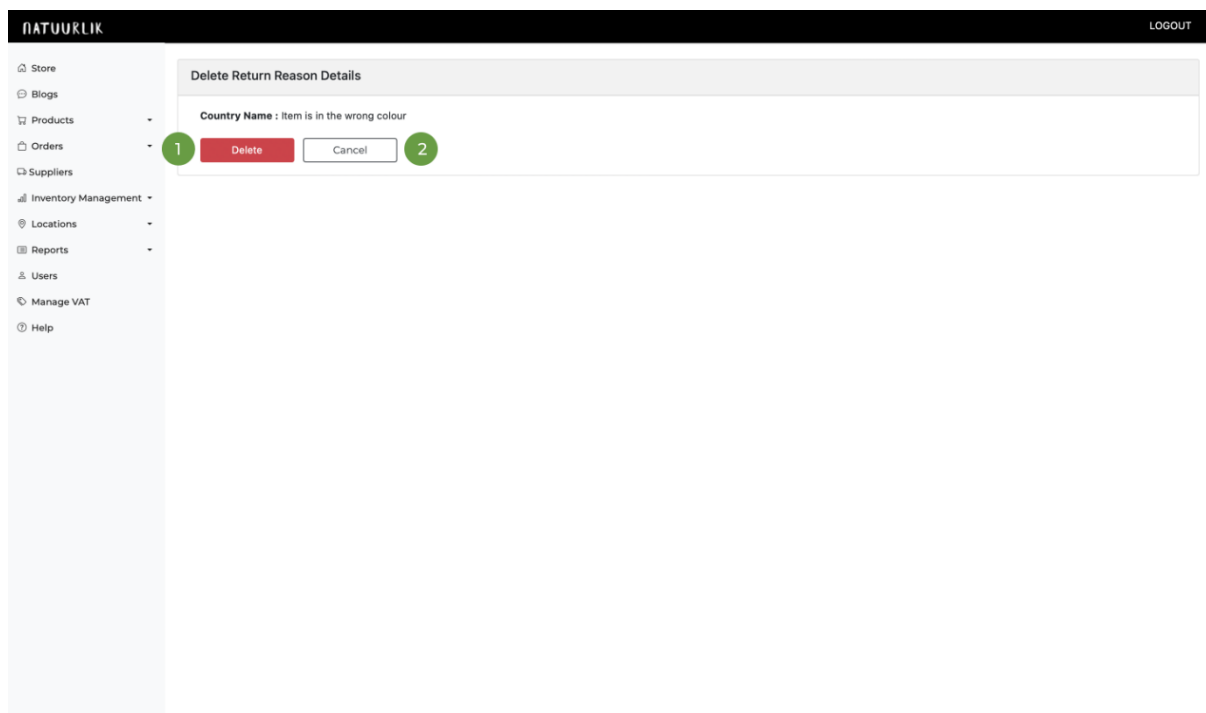

Step 1 – Fill in the Return Reason details in the provided form

Step 2 – Click on the “Update” button (1) to update the Return Reason details or “Cancel” button (2) to return to the Return Reason List screen

The screenshot shows a modal dialog box titled 'Confirm Return Reason Details'. It has a close button (X) in the top right corner. At the bottom of the dialog, there are two buttons: a green 'Confirm' button and a white 'Close' button. Green circles with numbers 1 and 2 are overlaid on the image to indicate steps: 1 points to the 'Confirm' button and 2 points to the 'Close' button.

Step 3 – Click on the “Confirm” button (1) to proceed with the update or the “Close” button (2) to return to the Return Reason List screen

Delete a Return Reason

Step 1 – Click on the “Delete” button to delete the Return Reason (1) or the “Cancel” button (2) to return to the Return Reason List screen

Step 2 – Click on the “Confirm” button (1) to confirm the deletion Return Reason or the “Cancel button (2) to return to the Return Reason List screen
