

### Add a Product Brand

The screenshot shows the Admin interface for the Product Subsystem. The top navigation bar includes the 'NATUURLIK' logo and a 'LOGOUT' button. The left sidebar contains a menu with items: Store, Blogs, Products (expanded), Orders, Suppliers, Inventory Management, Locations, Reports, Users, Manage VAT, and Help. The 'Products' menu is expanded, showing 'Products', 'Product Brands' (1), 'Product Categories', 'Product Configuration', and 'Produce Product'. The 'Product Brands' item is highlighted with a green circle containing the number 1. The main content area is titled 'Product Brands List' with a question mark icon. Below the title is a green button labeled 'Create New Product Brand' with a plus icon and a green circle containing the number 2. Below this is a search bar and a table with the following structure:

Brand Name	Action
Unilever	<a href="#">Update</a> <a href="#">Delete</a>

Below the table, it says 'Showing 1 to 1 of 1 entries'. At the bottom right, there are pagination controls: 'Previous', '1', and 'Next'.

Step 1 – Click on the “Product Brand” nav item (1) then, click on the “Create New Product Brand” (2) button
